Kenya

East Africa's great wildebeest migration is a known bucket-list item for safari-goers, with Kenya's [Maasai Mara National Reserve](#) as the destination of choice for witnessing the natural movements of wildlife during this enthralling natural event. The Mara's vivid sunsets and breathtaking visuals (think dazzles of zebra grazing and playful lion cubs frolicking near the pride at dawn) are famous for inspiring Disney's *The Lion King*. It's a deeply cultural experience, for most, especially when the local safari guides are members of the Maasai tribe—once known for being lion killers, today acknowledged for being lion defenders and staunch conservationists across the land. Along with the Mara, couples can diversify their romantic experience in this country by heading to the sumptuous savannah. There, the more exclusive [Naboisho Conservancy](#) adds to the magic and beauty of Kenya, where couples can indulge in night game drives, tented stargazing, and breakfasts in the bush surrounded by wildlife and the Masai Mara's famed fig trees. Follow a week of adventure with the beach on the hip and historical [Lamu Island](#) off the country's northeastern coast.
